Commissioner for Patents

The information disclosure statement filed 7/01/2010 fails to comply with 37 CFR 1.97(d) because it lacks a statement and fee as specified in 37 CFR 1.97(e). It has been placed in the application file, but the information referred to therein has not been considered.

The statement appears to attempt to correct a typographical error in a reference number of a previously submitted IDS. Since a copy of the reference corresponding to the correct reference number was previously submitted and considered by the Examiner, the foreign patent document received by the office (EP 1 147 959 A3, received 1/24/2006) has been accurately listed in the attached 892.
